

**June 2026** | Join us in praying for media ministry throughout the world.

**Prayer Ministry – Indonesia:** Samantha requests prayer for a deeply painful and complex family situation that is causing great distress for her and her children. Pray that God would sovereignly work in her husband's life, bringing clarity, conviction, and healing to their family. Pray also for the Lord to sustain Samantha and her children with His peace, protection, and strength during this difficult season of trial.

**English Ministry – Prayer Website:** Valerie praises God for answering years of prayer by completely reconciling her relationship with her estranged family. Give thanks for this restoration, and praise God for using this trial to draw Valerie into a deeper, sole reliance on Christ. Pray that her testimony would comfort and encourage other brokenhearted believers.

**Chinese Ministry – United States:** An anonymous listener asks for prayer to share God's love effectively within a highly demanding corporate environment. Pray that the Holy Spirit would grant them wisdom and courage to be a faithful witness so the gospel may reach more Chinese people. Pray also for the company's leadership to foster a healthier corporate culture.

**Portuguese Ministry – Brazil:** Give thanks and praise to God as our Portuguese ministry celebrates its 50th anniversary. Pray that the Lord would bless the team with continued favor, wisdom, and resources as they share the gospel, and ask that their media outreach would continue to bear fruit and strengthen believers across Brazil for many years to come.

**English Ministry – Today:** Marty left a note on the *Today* Facebook page sharing that he has been diagnosed with stomach cancer and is seeking total healing. Pray for Marty's complete physical restoration, asking that God would bless his treatments. Pray also that Christ would meet him intimately, filling him with a profound sense of peace and security.
