

July 2026 | Join us in praying for media ministry throughout the world.

Spanish Ministry – Mexico: The Spanish ministry team in Tabasco recently received the blueprints for their new ministry center, which they hope to build. Pray for the team as they navigate these changes, and ask for wisdom, unity, and provision as they look forward to an exciting year of growth ahead.

French Ministry - Burkina Faso: After being miraculously saved from death during a period of serious illness, Omar shares his deep gratitude to Jesus. He is beaming with joy in his faith and was even able to buy a motorbike to help with his daily life. Pray that Omar's testimony would inspire others and that he would continue to grow in faith and walk closely with the Lord.

English Ministry – Prayer Website: Connie asks for prayer after her husband was recently diagnosed with pancreatic cancer. Pray for God's healing touch, comfort, and peace for both Connie and her husband as they face this challenging diagnosis, and ask that they would feel the Lord's strengthening presence holding them close through every step of this journey.

Japanese Ministry – Japan: The Kobe Reformed Seminary is preparing for a special August broadcast featuring the voices of its faculty and newly admitted students. Pray for our ministry team as they help produce and prepare this program, and ask that the final broadcast would beautifully share what God is doing at the seminary, encouraging listeners to support these future leaders.

English Ministry – Prayer Website: Following her retirement, Tina shares that she feels like she is drowning financially, even as she holds onto the truth that God provides everything she needs. Pray for peace to calm her anxieties, wisdom for managing her resources, and that God would faithfully provide for her practical needs during this new season of life.
